

CAMPUS Events

Campus events app: screen-by-screen document. Mobile layout, light theme, purple accent on a white background.

Screens

1. Home
2. Events
3. Event Details
4. Registration
5. Confirmation

Prepared by

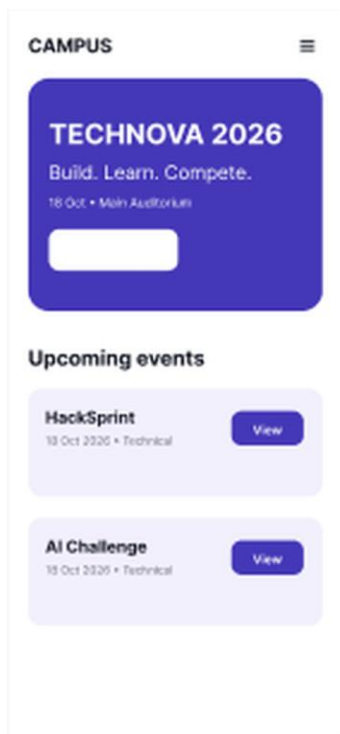

Detail	Value
Name	Shaik Tauffiq Ahmed
Reg No	192321067

Shared design notes

- **Colours:** deep purple (#4A37B5) for the hero card, buttons and highlights; pale lavender cards and inputs on a white background.
- A shared top bar ("CAMPUS" with a menu icon) on every screen, and one primary purple button per screen.
- Event cards repeat the same pattern: name, date and type, with one action.
- **Flow:** Home, Events, Event Details, Registration, Confirmation.

1. Home

Landing screen featuring the main event and a short list of upcoming events.

Layout, top to bottom

- **Header:** "CAMPUS" wordmark on the left and a menu icon on the right (shared by all screens).
- **Hero card:** purple card with "TECHNOVA 2026", the tagline "Build. Learn. Compete." and "18 Oct, Main Auditorium", plus a white button.
- **Upcoming events:** section title, then event cards with name, date and type, and a "View" button.

Content shown

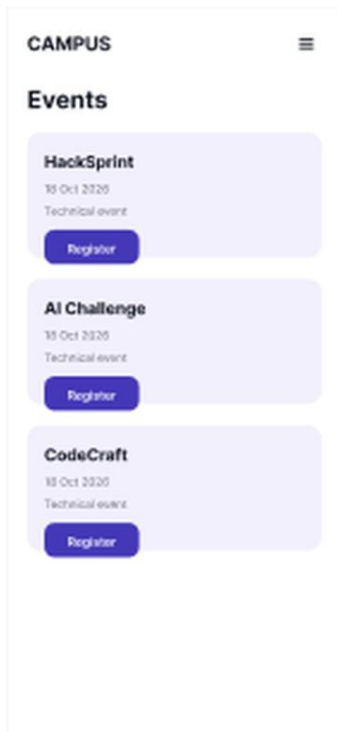

Event	Date and type
HackSprint	18 Oct 2026, Technical
AI Challenge	18 Oct 2026, Technical

Behaviour to define

- The white button in the hero card has no label in the design; add one (for example "Register now").
- View opens the Event Details screen; the menu icon opens navigation.

2. Events

Lists all events with a quick Register action.

Layout, top to bottom

- **Header:** "Events" heading under the shared top bar.
- **Event cards:** each shows the name, date ("18 Oct 2026"), the label "Technical event" and a purple "Register" button.

Content shown

Event	Date
HackSprint	18 Oct 2026
AI Challenge	18 Oct 2026
CodeCraft	18 Oct 2026

Behaviour to define

- Tapping a card opens Event Details; Register goes straight to Registration.
- The Register buttons sit on the bottom edge of each card; add bottom padding so they sit inside.

3. Event Details

Gives the full information about one event before the student registers.

CAMPUS

HackSprint

18 October 2026

Description
Rapid prototyping challenge for student teams.

Rules & Eligibility
Team size: 2-4
All departments eligible
Laptop required

Schedule
10:00 Registration
11:00 Challenge
4:00 Submission

Register

Layout, top to bottom

- **Title:** "HackSprint" with the date "18 October 2026".
- **Description:** "Rapid prototyping challenge for student teams."
- **Rules & Eligibility:** team size 2 to 4, all departments eligible, laptop required.
- **Schedule:** 10:00 Registration, 11:00 Challenge, 4:00 Submission.
- **Primary button:** "Register", full width.

Content shown

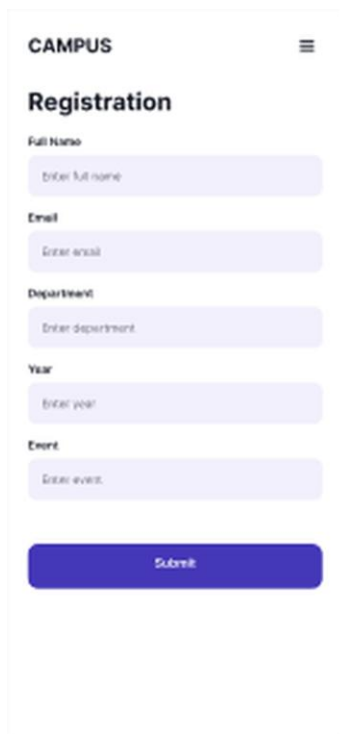

Time	Activity
10:00	Registration
11:00	Challenge
4:00	Submission

Behaviour to define

- Register opens the Registration form with the event already chosen.
- Add AM or PM to the schedule times (4:00 is ambiguous) and a back control.

4. Registration

Collects the student's details to register for an event.

A mobile app registration form titled "CAMPUS" with a hamburger menu icon. The form is titled "Registration" and contains five text input fields with placeholder text: "Enter full name", "Enter email", "Enter department", "Enter year", and "Enter event". A blue "Submit" button is at the bottom.

Layout, top to bottom

- **Heading:** "Registration".
- **Form fields:** Full Name, Email, Department, Year and Event, each with a label and placeholder text.
- **Primary button:** "Submit", full width.

Content shown

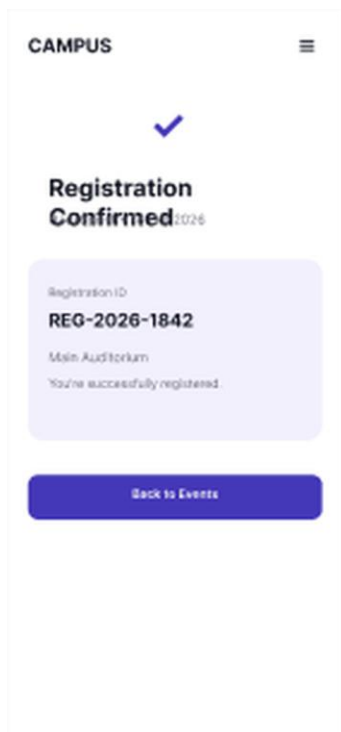

Field	Placeholder
Full Name	Enter full name
Email	Enter email
Department	Enter department
Year	Enter year
Event	Enter event

Behaviour to define

- Validate that all fields are filled and the email is valid before Submit works.
- Prefill Event from the selected event; use dropdowns for Department, Year and Event.
- Submit leads to the Confirmation screen.

5. Confirmation

Confirms the registration and shows the registration details.

Layout, top to bottom

- **Success mark:** purple check icon and heading "Registration Confirmed".
- **Details card:** registration ID "REG-2026-1842", venue "Main Auditorium" and the message "You've successfully registered".
- **Primary button:** "Back to Events".

Content shown

Field	Value shown in design
Registration ID	REG-2026-1842
Venue	Main Auditorium

Behaviour to define

- A line of date text overlaps the heading in the design; move it below with spacing.
- Back to Events returns to the Events list.
