

CarePlus

Doctor appointment app: screen-by-screen document. Mobile layout, light theme, blue accent on a white background.

Screens

1. Welcome and Login
2. Doctor Search
3. Doctor Profile
4. Booking
5. Confirmation

Prepared by

Detail	Value
Name	Shaik Tauffiq Ahmed
Reg No	192321067

Shared design notes

- **Colours:** blue (#1A6BA6) for buttons and selected states, pale blue for cards, inputs and chips on a white background.
- One primary blue button per screen; selected chips are filled in solid blue.
- Large circular avatars as placeholders for doctor photos.
- **Flow:** Welcome and Login, Doctor Search, Doctor Profile, Booking, Confirmation.

1. Welcome and Login

Introduces the app and lets a patient sign in.

CAREPLUS

Your health, made simpler.

Patient login

Email or Patient ID

Password

Login

Layout, top to bottom

- **Brand:** "CAREPLUS" wordmark at the top.
- **Heading:** "Your health, made simpler."
- **Hero panel:** pale blue block with a medical cross icon.
- **Form:** section title "Patient login", an "Email or Patient ID" field and a "Password" field.
- **Primary button:** "Login", full width, solid blue, white text.

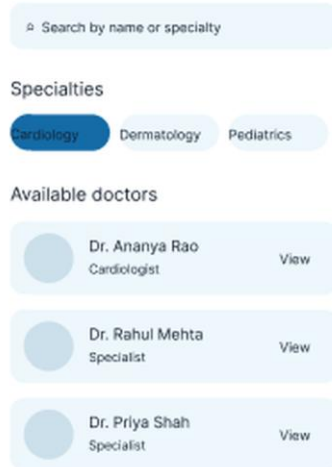

Behaviour to define

- Login stays disabled until both fields are filled; show inline errors for an unknown ID or wrong password.
- Success leads to Find a doctor.
- Consider adding Forgot password and Sign up links; the design has neither.

2. Doctor Search

Lets the patient find a doctor by search or specialty.

Find a doctor

Find a doctor

Search by name or specialty

Specialties

Cardiology Dermatology Pediatrics

Available doctors

Dr. Ananya Rao
Cardiologist View

Dr. Rahul Mehta
Specialist View

Dr. Priya Shah
Specialist View

Layout, top to bottom

- **Header:** "Find a doctor".
- **Search bar:** magnifier icon with placeholder "Search by name or specialty".
- **Specialties:** pill filters, with the selected one filled in blue.
- **Available doctors:** list of cards, each with an avatar, name, specialty and a "View" action.

Content shown

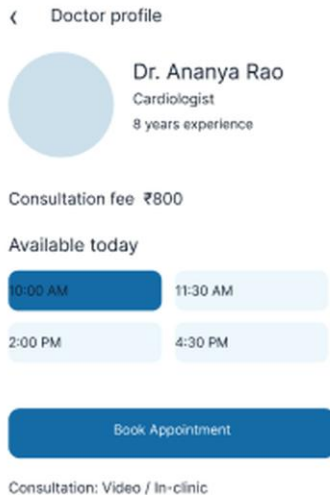

Doctor	Specialty shown
Dr. Ananya Rao	Cardiologist
Dr. Rahul Mehta	Specialist
Dr. Priya Shah	Specialist

Behaviour to define

- Specialty pills: Cardiology (selected in the design), Dermatology, Pediatrics. Selecting one filters the doctor list.
- Tapping View opens the Doctor Profile.
- The other two doctors show only "Specialist"; replace with their actual specialties.

3. Doctor Profile

Shows a doctor's details, fee and open time slots.

Layout, top to bottom

- **Header:** back arrow with the title "Doctor profile".
- **Doctor summary:** large avatar, name "Dr. Ananya Rao", "Cardiologist", "8 years experience".
- **Consultation fee:** ₹800.
- **Available today:** four time-slot chips in a grid; the selected slot is filled in blue.
- **Primary button:** "Book Appointment".
- **Note:** "Consultation: Video / In-clinic".

Content shown

Time slot	State in design
10:00 AM	Selected
11:30 AM	Available
2:00 PM	Available
4:30 PM	Available

Behaviour to define

- Back returns to Doctor Search.
- Book Appointment leads to the Booking screen; the selected slot should carry over.

4. Booking

Lets the patient choose a date and time and confirm the appointment.

Book appointment

Layout, top to bottom

- **Header:** "Book appointment".
- **Summary card:** "Dr. Ananya Rao" with "Cardiology, ₹800".
- **Select date:** field showing "October 8, 2026".
- **Select time:** three slot chips (10:00 AM, 11:30 AM, 2:00 PM); 11:30 AM is selected in the design.
- **Primary button:** "Confirm Booking".
- **Note:** "You can reschedule up to 2 hours before."

Behaviour to define

- The date field should open a date picker; slots should update for the chosen date.
- The selected slot here (11:30 AM) differs from the one on the profile screen (10:00 AM); decide which one wins.
- Confirm Booking leads to the Confirmation screen.

5. Confirmation

Confirms the booking and shows its details.

Appointment confirmed

Your visit has been successfully booked.

Appointment ID
CP-2026-10842

Patient
Patient

Doctor
Dr. Ananya Rao

Date & Time
8 Oct • 11:30 AM

Done

Layout, top to bottom

- **Success mark:** check icon, heading "Appointment confirmed", and "Your visit has been successfully booked."
- **Details card:** appointment ID, patient, doctor, and date and time.
- **Primary button:** "Done".

Content shown

Field	Value shown in design
Appointment ID	CP-2026-10842
Patient	Patient
Doctor	Dr. Ananya Rao
Date & Time	8 Oct, 11:30 AM

Behaviour to define

- The Patient field shows the placeholder "Patient"; replace it with the signed-in patient's name.
- The last line of the card sits tight against the bottom edge; add padding.
- Done returns to Find a doctor.
