1. Login

Lets a returning user sign in with email or Google.

A mobile app login screen for 'Foodie'. At the top, the brand name 'Foodie' is in green, followed by the tagline 'Delicious food, delivered fast.' Below this is a 'Welcome back' heading with the helper text 'Log in to continue ordering.' There are two input fields: 'Email address' and 'Password'. To the right of the password field is a green link 'Forgot Password?'. Below the inputs is a solid green 'Login' button. At the bottom is a white button with dark text that says 'Continue with Google'.
